WHY SHOULD YOU CHOOSE THUNDERBOLT ?

Are you paying for your current software monthly per user per month?

THUNDERBOLT SOFTWARE

- ✓ Platform is already developed and tested
- ✓ Add-on more software modules as and when required
- ✓ Completely customisable for your business
- ✓ Easily integrate with third party services and software
- ✓ APIs ready for your web developer
- ✓ Only your staff using the server's bandwidth
- ✓ Migrate your current data effortlessly
- ✓ Host on your own servers or one of ours

MONTHLY SUBSCRIPTION SOFTWARE

- ✗ Not Customisable
- ✗ Do not own the platform
- ✗ Do not own the code
- ✗ Do not own your data
- ✗ Hundreds of thousands of staff from multiple companies using the same server's bandwidth
- ✗ At the mercy of the original developers staying in business

HOW DO WE GET THUNDERBOLT ?
